

HARLEY-DAVIDSON® GENUINE MERCHANDISE

2021 Pan America™ Adventure Touring Gear

Unrivaled Performance & Comfort

Our highly technical riding gear is engineered to meet demanding expectations for protection, versatility, and mobility—without compromising style. Across a world of different terrains and climates, we've made sure to have the kit you need when *everything* becomes a road.

An Adventurous Partnership

Harley-Davidson has partnered with European apparel specialist Rev'It!, a global leader in the Adventure Touring category, to offer uncompromising gear to our audience.

By merging the design language of both brands, Harley-Davidson and Rev'It! have created a collection for the Pan America™ rider that works beyond boundaries, keeping you protected and comfortable for every adventure: regardless of the road, the weather, or the pursuit.

Harley-Davidson® General Merchandise offers new head-to-toe gear options for men and for women, offered at two price and feature levels:

MEN'S

Passage Adventure

**New**

Passage Adventure Jacket 98178-21VM

Black | Slim Fit | S-M-L-XL-2XL-3XL

Stay Cool: VCS Aquadefence ventilation system enhances airflow in warm-weather riding. Mechanical fasteners can be opened and closed easily with one gloved hand and can be secured in a desired open position. When opened the VCS Aquadefence system allows direct ventilation to the body.

Stay Warm: Detachable thermal liner.

Stay Dry: Waterproof using highly breathable shell lined with breathable Hydratex® 3L membrane technology that repels rain and wind with superior abrasion and tear resistance. Schoeller C-Change membrane placed in key areas of stretch. When the vents are closed, they press onto the incorporated rain gutter to complete windproof and waterproof.

Fit & Mobility: Variable height adjustment straps.

Ride-Enhancing Features: Two-way Flexisnap collar allows the rider to adjust neck circumference to accommodate layering. Detachable kidney belt that supports the rider's lower back. REV'IT! Seeflex CE Level 2 protector included at shoulders and elbows. REV'IT! Seesoft CE Level 2 back protector insert optional (sold separately). PW Shell 500D textile offers tremendous tear and abrasion resistance and excellent durability.

Design Details: Jackets and pants are interchangeable to mix-and-match.

Materials: 100% polyester 450D and ripstop shell.

Certification: Certified to EN 17092-3:2020.

MEN'S

Passage Adventure

**New**

Passage Adventure Trouser 98180-21VM

Black | Slim Fit

Waist: 28, 30, 32, 34, 36, 38, 40, 42
Inseam: 32

Stay Cool: VCS Aquadefence ventilation system enhances airflow in warm-weather riding. Mechanical fasteners can be opened and closed easily with one gloved hand and can be secured in a desired open position. When opened the VCS Aquadefence system allows direct ventilation to the body.

Stay Warm: Detachable thermal liner.

Stay Dry: Waterproof using highly breathable shell lined with breathable Hydratex® 3L membrane technology that repels rain and wind with superior abrasion and tear resistance. Schoeller C-Change membrane placed in key areas of stretch. When the vents are closed, they press onto the incorporated rain gutter to complete windproof and waterproof.

Fit & Mobility: Variable height adjustment straps.

Ride-Enhancing Features: REV'IT! Seeflex CE Level 2 protector at hips and knees. PW Shell 500D textile offers tremendous tear and abrasion resistance and excellent durability.

Design Details: Jackets and pants are interchangeable to mix-and-match.

Materials: 100% polyester 450D and ripstop shell.

Certification: Certified to EN 17092-3:2020.

MEN'S

Passage Adventure

**New**

Passage Adventure Gloves 98182-21VM

Black | S, M, L, XL, 2XL, 3XL

Stay Cool: Ventilation openings in the hard-shell knuckle ensure adequate air-flow for comfortable cooling.

Fit & Mobility: Exterior seam stitching eliminates pressure points and provides the sensitivity every rider demands. The wrist and cuff adjustment provides a secure and precise fit.

Ride-Enhancing Features: The insulated and waterproof Passage adventure gloves are ready for all-weather action thanks to Hydratex® waterproofing and grip technology that will make sure hands stay warmer when it's cold and drier when you perspire. Advanced coverage is provided by a honeycomb structure of TPU, topped by an aluminum high-impact shield. The palm and thumb are covered by an abrasion-resistant TPU hard shell slider.

Certification: Certified to EN 13594:2015.

**New**

(Unisex) Passage Adventure J10 Modular Helmet 98134-21VX

Matte Black | XS, S, M, L, XL, 2XL

Helmet Construction: Advanced, ultra-lightweight composite materials.

Stay Cool: Modular, four intake vents and two exhaust vents for adjustable ventilation options.

Ride Enhancing Features: Lighter weight reduces rider fatigue and improves rider comfort, and exceeds both DOT and ECE certification requirements. Compatible with Boom! Audio 20S Bluetooth helmet headset to enable connectivity through a mobile phone, and communication with other riders. Current H-D customers may transfer a headset they already own. Rider can easily add this technology to the helmet.

Manufacturer & Certification: J-Tech. Exceeds DOT/ECE.

MEN'S

Grit Adventure

**New**

Grit Adventure Gloves 98183-21VM

Black | S, M, L, XL, 2XL, 3XL

Stay Cool: Intended for summer use, Grit Adventure Gloves offer a well-balanced combination of comfort and protection from the elements. The ultra-lightweight and ventilated TPR knuckle material is made of thermoplastic rubber, offering excellent resistance to flex fatigue and tearing. It's ventilated structure allows airflow directly to the hand.

Fit & Mobility: The wrist and cuff adjustment provides a secure and precise fit.

Ride-Enhancing Features: Microfiber patch on the palm provides superb grip on the handlebars. Exterior seam stitching eliminates pressure points and provides the sensitivity every rider demands. REV'IT! connect finger-tip technology is touch screen compatible.

Design Details:

Materials: Shell of drum died goatskin and PWR Shell 500D stretch fabric is treated with a durable water and soil resistant finish.

Certification: Certified to EN 13594:2015.

J-TECH

**New**

(Unisex) Grit Adventure J09 Modular Helmet 98135-21VX

Gloss Black | XS, S, M, L, XL, 2XL

Helmet Construction:
Polycarbonate shell.

Stay Cool: Modular, three intake vents and two exhaust vents for adjustable ventilation options.

Ride Enhancing Features: Surpasses both DOT and ECE certification requirements. Compatible with Boom! Audio 20S Bluetooth helmet headset to enable connectivity through a mobile phone, and communication with other riders. Current H-D customers may transfer a headset they already own. Rider can easily add this technology to the helmet.

Manufacturer & Certification: J-Tech. Exceeds DOT/ECE.

MEN'S Footwear

New

Gravel Outdry Boots 98153-21VM

Matte Black | M039, M040, M041, M042, M043, M044, M045, M046, M047

Stay Dry: Laminated Hydratex Sphere (H2O) construction creates a waterproof/breathable barrier.

Fit & Mobility: Rider's feet stay dry without compromising comfort or dexterity.

Ride Enhancing Features: Constructed with rugged materials and quality components to withstand Adventure Touring abuse. Riders can be confident these boots will hold up for many seasons. The rubber abrasion edge minimizes damage from flying stones and dirt while riding or repeated wear from foot flexion.

Design Details: Thermoformed shin guard, heel cup and toe cap adds foot protection without sacrificing comfort.

Materials: Omega leather outer shell is full-grain cow hide that delivers outstanding durability and rider comfort.

Certification: Certified to EN13634:2017.
